#### **Who Should Take This Course?**

This course series is for genealogists and family historians who are ready to transform their research into a quality family history.

The course will be led by a team of dedicated volunteers – Matthew B. Berry, CG, Jennifer Dix, Lois Elling, Lisa Gorrell, CG, and Stewart Traiman – who have different and complementary skills.

The sessions will take place via Zoom. If you join, please sign in early to make sure you are able to see the program. **We will send you instructions the night before, and a reminder shortly before the event**, which will give you access. Please note all times are **Pacific Daylight Time**.

*You do not have to have a Zoom account to attend a Zoom meeting. You will be prompted to download the software, once you have clicked on the link that you have been provided. You may also wish to create an account, but that is not required to participate in a Zoom meeting.*
